REMEMBER: The official name of the UK is the United Kingdom of Great Britain and Northern Ireland. People usually call it the United Kingdom or just the UK. Some people call it Great Britain but it is wrong because Great Britain is only a part of the UK. The UK consists of four countries: England, Scotland, Wales and Northern Ireland. The capitals are London, Edinburgh, Cardiff and Belfast. Great Britain includes only England, Scotland and Wales. London is at the same time the capital of all the UK.

HOME STUDY -WEEK 6- GRAMMAR PRACTICE

On se souvient que pendant cette période on a découvert qu'en anglais il y a deux presents, le Present Simple pour les habitudes et le Present Continuous pour une action qui est en train de se passer pendant qu'on parle. Pour bien reprendre ces deux temps verbaux à la rentrée „face à face“ voici un exemple de verbe conjugué aux deux temps, pour rappel:

COOK (cuisiner, faire la cuisine)

PRESENT SIMPLE: Exemple: I cook every day (je cuisine tous les jours)

I cook	I don't cook	Do I cook?
You cook	You don't cook	Do you cook?
He cooks	He doesn't cook	Does he cook?
She cooks	She doesn't cook	Does she cook?
It cooks	It doesn't cook	Does it cook?
We cook	We don't cook	Do we cook?
You cook	You don't cook	Do you cook?
They cook	They don't cook	Do they cook?

PRESENT SIMPLE: Exemple: I am cooking now (je cuisine maintenant)

I am cooking	I am not cooking	Am I cooking?
You are cooking	You are not cooking	Are you cooking?
He is cooking	He is not cooking	Is he cooking?
She is cooking	She is not cooking	Is she cooking?
It is cooking	It is not cooking	Is it cooking?
We are cooking	We are not cooking	Are we cooking?
You are cooking	You are not cooking	Are you cooking?
They are cooking	They are not cooking	Are they cooking?

A vous de jouer ! Conjuguez chez vous, de la même façon, au deux temps verbaux, le verbe play (jouer) (I play... I don't play... Do I play ? / I am playing...I am not playing...Am I playing ?)
